HB138 » The Senate voted Tuesday to make hazing a Class A misdemeanor, up from a Class B misdemeanor, if alcohol or drugs are involved.

Hazing involving alcohol would now carry a maximum potential jail term of a year, rather than six months. HB138, sponsored by Rep. Carol Moss and Sen. Pat Jones, both Holladay Democrats, passed 24-4. It already won House approval, so it goes to the governor for signature.
